Rockville Business Appreciation

This month we are celebrating Rockville Business Appreciation Week (BAW) from March 10 - 14, with a celebratory breakfast the week after.

During this week we will visit over 50 companies within the City limits taking the pulse of the Rockville business community, and making them aware of the resources available to them from REDI, the City, the Rockville Chamber and our partner economic development organizations.

The Appreciation Celebration culminates at a BAW Breakfast networking event where we will discuss our findings from the visits and mix and mingle with the companies and ambassadors.

While BAW is a concentrated effort to meet Rockville businesses, REDI is here year round with resources, information and support for our City businesses.

If you didn’t get a chance to participate this year, check out our website, email us, or give us a call at 301.315.8096 to find out how REDI can help your Rockville business. Maybe you can be a part of BAW 2015!

Thanks again to all the participating companies and ambassadors for giving their time for this great event!
