

Rockville *Works* for me

"Rockville is undergoing an exciting restaurant 'renaissance,' and we want to help drive and ride that momentum by offering local, thoughtful, unique and chef-driven dishes to diners."

Botanero Restaurant and Bar, in Rockville's King Farm neighborhood, features tapas-style fusion cuisine that draws influence from Peru, Spain and the Americas. Botanero prides itself on using good, clean, local ingredients and presenting a solid wine list that is both unique and value driven.
