

# Rockville *Works* for me

*"Launch Workplaces in Rockville is a convenient and accessible location for small businesses, startups and entrepreneurs to meet and get work done!"*

Launch creates productive, collaborative flexible office communities. We understand what it is like to be a startup with a tight budget, or a passionate entrepreneur leading a small business unable to commit to a multi-year lease in a traditional corporate environment. Launch offers flexible and affordable workplace solutions to get work done!

*Karen Kalantzis*  
Operations &  
Community Manager

**Launch Workplaces**  
1201 Seven Locks Rd.  
Suite 200  
Rockville, MD 20850
