*CHILDREN'S BUSINESS FAIR*

## Mission Statement

The Montgomery County Children's Business Fair empowers young entrepreneurs ages 6–15 to discover their passions, develop real-world skills, and bring their ideas to life. Through hands-on experience in creating and running their own businesses, we inspire the next generation of innovators, problem solvers, and leaders.

## About Us

Held each August in Rockville Town Square, this one-day event gives young entrepreneurs the chance to create and sell their own products and services to the public. Kids manage everything—from developing their business ideas and marketing their booths, to pitching their products to customers. Each year, participants also compete for cash awards recognizing their originality, sales pitch, and booth presentation. Since its founding in 2018, the fair has grown into a vibrant community tradition that celebrates creativity, confidence, and the entrepreneurial spirit in children across Montgomery County.

## TESTIMONIALS

**I wanted to give special thanks for doing this for the kids! It was my daughter's first time participating and it was an incredible learning and growth experience for her! She kept talking about it for days and her certificate is proudly displayed in our house. It definitely gave her a big confidence boost. I am so very grateful to you all for literally making a lifelong impact on these kids' lives.**
